MEMORANDUM FOR: Executive Director-Comptroller

THROUGH: Director of Planning, Programming and Budgeting

SUBJECT: FY 1969 Supplemental Budget Request

1. The attached memorandum from the Acting Director of Special Activities has been reviewed, and I concur in the need for additional FY 1969 funding authorization for OSA in the amount of $1,029K. These additional funds cannot be made available from the FY 1969 Directorate funding.

2. These funds are required because of:

a. Continuation of the OXC/RT program past the March 1968 phase-out date,

b. continuation of support of TAGBOARD project through November 1968, and

25X1A c. [redacted]

3. It is therefore requested that steps be taken to supplement the Directorate FY 1969 funding level to accommodate the OSA requirement.

25X1A [redacted]

Carl E. Duckett
Deputy Director
for
Science and Technology
